

Sports Turf Managers Association

CHAPTER NEWS

Colorado Chapter: The Colorado Chapter held a seminar and workshop at Pleasantview Sports Complex in Boulder on August 24. After the seminar, the group toured the state-of-the-art facility's nine new sand-based soccer fields.

The group is also planning its October 19 business meeting and golf tournament. RSVPs can be sent via fax to (303) 438-9645. For more information about the chapter or upcoming events, contact Ross Kurcab, Denver Broncos, (303) 649-9000.

Southern California Chapter: Plans are in the works for a tail-gate lunch before the Dodgers-Padres game at Dodger Stadium September 24. Plans are also pending for an October field day.

The Southern California STMA chapter is the host chapter for the national Sports Turf Managers Association conference, January 24-28, 1996 in Anaheim. Anyone interested in lending a hand — before, during, or after the show — can contact Steve Guise at (714) 578-0215. For

information on the Southern California chapter and upcoming activities, contact Chris Bunnell, (619) 432-2421.

Northern California: The newest STMA Chapter is kicking off its membership drive. For information on membership and activities, contact Sal Genito at California State University, Fresno, (209) 278-6930.

Midwest Chapter: For more information about the Midwest Chapter, or upcoming events, call the chapter hotline, (708) 439-4727.

Our New Pattern Will Change The Way You Top Dress.

Top dress a field in less than 2 hours

*Low PSI ground driven
6 wheel design*

*Eliminates shovel
loading*

*Precise on/off
application*

Turfco's patented chevron belt handles all types of top dressing mixtures from sand to compost, wet or dry. The belt's chevron ridges, combined with ground drive, make sure that material flows consistently and spreads evenly. The top dresser assists in leveling out depressions and providing good drainage. Because there are no hydraulics the top dresser can be hooked up to any tractor or turf truck. There's less maintenance, lower costs, and no oil leaks on your field. Top dressers since 1961. Call 612-785-1000.
