Pro's Choice - Soilmaster™

It never rains on the infield at Comiskey Park...or so it seems! That's because the White Sox blend Soilmaster into their infield soil to keep it porous, resilient and free of puddles. Soilmaster, a highly absorbent calcined mineral, helps prevent surface compaction and improve drainage. It remains in the soil permanently to provide a smooth cushioned playing surface in both wet and dry weather. Soilmaster is also the choice of the Yankees, Marlins, Indians, Orioles and other major/minor league teams. Call Pro's Choice, Inc. for literature and samples.

Chipper/Shredder Vacuum

Parker Sweeper introduces the powerful VAC-CS Chipper/ Shredder Vacuum. This versatile, labor saving machine is designed to perform under the most difficult circumstances. It's built like a workhorse to withstand any job and the VAC-CS is equipped with a convenient chipper chute that draws twigs, branches, and other debris with ease and safety. The Parker

Chipper/ Shredder Vac reduces debris 11 to 1 so that material can be packed in less space to further reduce landfill area, labor time and cost. An optional hose kit allows easy access in tough-to-reach areas. For operator convenience, this vacuum has a 30" width, larger than any other in the marketplace and also has a substantially larger collection bag.
