## HELP WANTED

### ENVIRONMENTAL TURFGRASS SPECIALIST

This is a twelve month, tenure-track position with 75% extension and 25% research responsibilities. The successful candidate will be expected to conduct aggressive extension and research programs in the areas of turfgrass physiology with emphasis on environmental issues. The successful candidate will interact directly with faculty in other disciplines, extension personnel and members of the turfgrass industry. Though a University of Nevada, Reno faculty member, the successful candidate will be located in the Department of Biological Sciences at the University of Nevada Las Vegas and will be provided the opportunity to participate in undergraduate and graduate education. The position requires interdisciplinary teamwork. Candidate must have Ph.D. in horticulture/agronomy/plant science or related field, with emphasis on environmental issues in turfgrass physiology. Ability to attract competitive extramural funding is essential. Salary commensurate with qualifications and experience. Application deadline is May 31, 1996. Send letter of introduction, including career goals, curriculum vitae and three current letters of reference pertaining to this announcement to: Dale Devitt, Search Chair, 2345 Redrock, Suite 100, Las Vegas, NV 89102. Telephone: 702-222-3130 Fax: 702-222-3101. AA/EOE UNR employs only US citizens and persons lawfully authorized to work in the United States.
