VOLUME TWELVE, NUMBER EIGHT

AUGUST 1996

MAIN EVENTS

10 Mowing "Pattern Masters" Reveal Their Secrets

Patterns mowed into sports fields often baffle and startle fans. The relatively new art form is one more way sports turf managers are demonstrating their creativity and professionalism.

16 Overseeding Bermudagrass Turf

To the professional sports turf manager, overseeding is a complex, expensive operation that requires preparation, timing and luck. Richard Duble outlines a program that, if begun now, can minimize the chances of failure.

20 Ridgewood High Grows Grade-A Gridiron

The sports turf of New Jersey's Ridgewood High survived drought, high traffic and native soil to earn STMA's 1995-1996 Football Field of the Year Award. The honor culminated a remarkable year for Grounds Manager Bob Buono and his crew.

22 Testing Mother Nature

Readers wanted it and now they've got it: Don Arenberg introduces a test program for comparing organic and synthetic products.
