## Aquatrols® BREAK THRU®

Left Side Untreated, Right Side Treated With **BREAK-THRU®**

### Organosilicone Spreader Adjuvant Dew Control Agent

Is dew a competitor on your sports turf field, adding to the potential for injury? Aquatrols BREAK-THRU significantly reduces the amount of dew formation on the turf, promoting safer play. Using BREAK-THRU at its labeled rates allows you to "play ball" with your real competition – the other team.

## Jaydee Drive Liner

The Jaydee Drive Liner is a self-propelled riding line marker. The 35-gallon paint tank carries enough marking material for a complete game field, or several practice fields. The 2-gallon flush tank cleans the discharge lines for work breaks, travel, or overnight. The center or side-mark spray shields are always operator-visible. A nearly zero turning radius reduces or eliminates back-and-turn maneuvers.

#### Jaydee Equipment Company

202 East Joliet Highway, Box 278  
New Lenox, IL 60451-0278
