## Help Wanted

### ATHLETIC TURF MANAGER - Michigan State University Grounds Maintenance Department

Requires knowledge equivalent to that which normally would be acquired by completing a four year degree program in Crop Sciences, Turf Management, Plant Sciences, Horticulture, or a related field with course work in Sports Turf Management. Three to five years of related or progressively more responsible or expansive work experience in maintaining sports turf fields and or golf course turf including top dressing, cultivation, irrigation, chemical application, fertilization, mowing and field marking. Possession of a valid Michigan Commercial Pesticide Applicator's certification - Ornamental (3B), Turf (3A). Possession or attainment of an MSU Forklift Operator's Permit prior to completion of applicable probation or trial period. Valid Vehicle Operator's License. Desired experience in public relations, interacting with the media, athletic coaches and the public, turf experience in a cool season grass region, experience in the cultural environment and regulations of athletic programs and the ability to read and interpret irrigation and construction blue prints. Working hours to include weekends during football season. Duties associated with this position involve moderately disagreeable working conditions involving exposure to adverse weather conditions and working with agricultural chemical or biological hazards in an environment with dust and dirt.

Contact MSU employment office at 517/432-1662 to request an application.  
 Refer to posting #S10499. Closing date is 8/24/01. MSU is an affirmative action equal opportunity institution.
