

## Jaydee Drive Liner

The Jaydee Drive Liner is a self-propelled riding line marker. The 35-gallon paint tank carries enough marking material for a complete game field, or several practice fields. The 2-gallon flush tank cleans the discharge lines for work breaks, travel, or overnight. The center or side-mark spray shields are always operator-visible. A nearly zero turning radius reduces or eliminates back and turn maneuvers.

## Water-Reels® for Sports Turf Irrigation

Kifco has introduced a line of Turbine Drive Water-Reels® to complement the popular line of Bellows Drive machines. These self-traveling sprinklers are ideal portable irrigation systems for all types of turf grass. Machines are available for both large and small areas. Water-Reels® are compact, easy to use, operate unattended and shut down automatically. Kifco has specialized in traveling irrigators for more than 35 years.
