## Cushman® Envirojet™

The Cushman® Envirojet™ pull-behind chemical injection system applies amendments directly to the turf root zone. The patented system cleanly and safely saturates the target area to apply fertilizer, treat fungal infestations or other applications. For the name of your local Cushman® Envirojet™ dealer, or a FREE demonstration, just call 1-888-922-TURF (8873).

## Jaydee Drive Liner

The Jaydee Drive Liner is a self-propelled riding line marker. The 35-gallon paint tank carries enough marking material for a complete game field, or several practice fields. The 2-gallon flush tank cleans the discharge lines for work breaks, travel, or overnight. The center or side-mark spray shields are always operator-visible. A nearly zero turning radius reduces or eliminates back and turn maneuvers.
