

## MARKETPLACE

### Water-Reels® for Sports Turf Irrigation

Kifco has introduced a line of Turbine Drive Water-Reels® to complement the popular line of Bellows Drive machines. These self-traveling sprinklers are ideal portable irrigation systems for all types of turf grass. Machines are available for both large and small areas. Water-Reels® are compact, easy to use, operate unattended and shut down automatically. Kifco has specialized in traveling irrigators for more than 35 years.
