

CHAIN LINK FENCE GUARDS

Fence Guard™ protective covers for chain link fencing from Partac Peat Corp. are available in six colors—safety yellow, dark green, red, white, blue, and orange—as well as two grades—premium and standard. These UV-resistant, polyethylene covers protect players from injuries and provide a distinctive look to your fencing.

Fence Guard™ comes in cartons of ten 8-ft. sections with fifty 8-in. UV-resistant ties for securing every 2 feet to fence. With a 5-year manufacturer's limited warranty.

For safety and uniform appearance, you should remove crowns from the tops of fence posts so that the entire fence top is covered; ends can be butted or overlapped, and the product is easy to cut.

Bottom Guard™, which serves the same safety and appearance purpose, also reduces erosion and eases weed cutting.

TURFACE® KEEPS AMERICA PLAYING™

40 Years of Leadership

For more than 40 years, PROFILE Products LLC has been the leading manufacturer of soil modification products, including the TURFACE® line of infield and sports turf conditioners and mound clay products. Patented **TURFACE Pro League®** conditions infield soils for exceptional moisture absorption, increased safety and maximized athletic performance. PROFILE also offers **TURFACE MVP®**, which eliminates compaction, bad ball hops and rainouts on skinned infields; **TURFACE Quick Dry®** is designed to absorb excess water during wet conditions and to become a part of the infield mix; **TURFACE Gray** and **TURFACE Red** are infield conditioners that are manufactured in gray and red tones for a non-glare surface for greater ball visibility; and **TURFACE Mound Clay** is the clay used to build mounds on leading professional fields in the major leagues.
