## SAFE LIVE AND SILENT AUCTIONS COMBINE FUN WITH FUNDING

**The Foundation for Safer Athletic Field Environments (SAFE)** was created by the Sports Turf Managers Association (STMA) to provide research, educational programs and scholarships geared to sports fields.

As part of our mission, SAFE is dedicated to supporting students focused on the profession of sports turf management through our scholarship program. Now is your chance to help the future of our industry, STMA and the SAFE Foundation by helping to fund the scholarship program through your contribution of items for the SAFE Live and Silent auctions and the Raffle. These events all will take place at the STMA Conference in San Diego January 21-25, 2004.

Tom Curran, Florida STMA Chapter President, also is an award-winning auctioneer. Tom has been organizing and running this auction for SAFE and urges everyone in the sports turf industry to contribute something to these great fund-raising events. Items such as memorabilia, autographs, clothing, vacation packages, and equipment all help raise funds for this great cause. The 2004 Live Auction will be held on January 22 from 8:00-9:00 PM at the close of the trade show. The Silent Auction will take place on the trade show floor on Thursday, January 22 and Friday, January 23. Join in for the fun. Raise funds for the future of the industry.

Scholarship funds are earmarked for students of two-year programs, students in four-year undergraduate programs, and for grad students focused on a future in the sports turf industry. Information on the SAFE Scholarship program is posted on the STMA website: [www.sportsturfmanager.com](http://www.sportsturfmanager.com). Click on 'About Us,' go to the SAFE Foundation, and visit the Scholarship section for the link.

All items that you donate to SAFE are tax deductible. Items should be sent to STMA/SAFE HQ, Attn: Jaci Pettie, at 1027 S. 3rd Street, Council Bluffs, Iowa 51503-6875. Or, to save on shipping and handling, send a description of your donations, and bring them with you to the Conference.

The SAFE Foundation has much work to complete before it can supply the sports turf industry with the desired level of programs. Additional funding is needed to fulfill not only the scholarship program, but also the research and education arms of our mission. Your willingness to consider the SAFE Foundation's request for funding and item donations is truly appreciated.
