JACOBSEN®

A Textron Company

Groom Master®

Versatile 2 & 3 Wheel-Drive Infield and Landscaping Machines

The Jacobsen Groom Master is the choice of grounds superintendents for infield grooming, weed cultivation, loosening soil, or pushing it. The tight turning radius delivers maximum maneuverability while the high ground clearance and single pedal hydrostatic drive easily handles rough terrain. Oversize tires provide superior traction without compacting turf.

Equip the Groom Master with attachments you need to tackle tough jobs: Mid-mount hydraulic cultivator, front dozer blade, fan rake, drag mat, scarifier, leveling blade and spiker. Available in your choice of 16-hp V-Twin Briggs & Stratton® gas or 19-hp Kubota® diesel engines.

For a free demonstration or the name of your nearest Jacobsen Dealer, call 1-800-922-TURF (8873) or visit our website at www.jacobsen.com.
