THE ULTIMATE
GOLF COURSE DRAINAGE SYSTEM
Want to spend less time on maintenance and more time looking around? Our patented drainage system will install faster and less expensively than any other on the market. Whether it's greens, bunkers, tee boxes or fairways, an Airfield system moves water faster, prevents turf damage and extends your playing season. Call today to find out how Airfield can take your course to the next level, because the game must go on.

Contact Gordon Bevis for striping and repairs.

WHY SETTLE FOR SECOND BEST!
VC-60 VERTI-CUTTER
BY FIRST PRODUCTS, INC.

The VC-60 is designed for continuous heavy duty operation on all types of sports turf. The unit has a patented swing hitch that allows the operator to verti-cut around objects while turning. The VC-60 cutting depth is easily adjusted in the field, without tools "up to 1 ½ inches deep" using quick release pins.

Speed, Quality, Reliability...

Reliability

1. Quality or condition of being reliable; trustworthiness; dependability. 2. Consistently produces the same results, preferably meeting or exceeding its specifications. 3. See a Dixie Chopper dealer.

Dixie Chopper's definition of reliability is build a machine that doesn't break down when you use it. A lot can change in 25 years, but for us here at Dixie Chopper reliability has not. We take great pride in knowing that the very first machine built is still cutting grass today.

Jaydee Drive-Liner

The Jaydee Drive-Liner is a self-propelled riding line-marker featuring a 13.5 h.p. Briggs & Stratton engine, along with a 3.3 gallon remote fuel cell, a 3.5 gallon paint tank that carries enough marking material for a complete game field, or several practice fields. The 2 gallon flush tank cleans the discharge lines for work-breaks, travel or overnight. Center/side-marking sprayshields are always operator visible. A nearly zero degree turning radius reduces or eliminates back and turning maneuvers.

TURF MANAGER
Jade Run Sod Farms is seeking a detail-oriented individual with a two-yr. degree or three yrs exp. in the turf industry. This full time, yr. round position includes overseeing the day to day management of turfgrass maintenance, including mowing, irrigation, and fertilization, establishing and following a program of integrated pest management, field preparation and seeding in order to maintain the highest quality of sod. This individual must possess a valid drivers license (CDL is a plus) and have the ability to obtain a DE Pesticide Applicators License. Benefits include a salary commensurate to experience, major medical, paid vacation and holidays, and life insurance. Interested candidates should send resume to PO Box 216, Bethel, DE 19931, or e-mail: Jaderun@comcast.net
