

## features

### GREEN SCIENCE

#### **08 Misguided phosphorus restrictions could impact field management**

State and local regulations are starting to take away the right to use good fertility practices due to concerns about phosphorus in turf fertilizers.

#### **11 Compost for turfgrass: multifaceted organic ally**

Compost saved turf manager Mike Cabral \$38,000 and gave him a better field, too.

#### **20 2004 STMA Soccer Field of the Year, Schools/Parks Division**

John Netwal, CGCS, and North Scott Community schools had to overcome several obstacles in building their new field; looks like they made it!

### AROUND THE GROUNDS

#### **23 Sports Field Maintenance Planning**

Planning maintenance activities for sports fields is not an exact science. But thorough planning can help you get a handle on all the variables and thus make better decisions.

#### **26 Little League WS experience inspires student**

### TURF MAINTENANCE EQUIPMENT

#### **31 Everything you wanted to know about . . . turf aeration**

No turf area is immune to compaction's devastating effects, whether it's between the hashmarks, a goalmouth, or just a shortcut everyone takes through the grass.

#### **34 Getting ahead of field design and construction**

The more you know about this subject the better prepared you will be to take the steps necessary to adequately support competition on your fields.
