### GREEN SCIENCE

#### **08 New ASTM standards for sand-based fields**

Michael DePew takes you through the new standard for the design and construction of sand-based natural turf sports fields, recently published by ASTM International.

#### **11 Buying quality sod 101**

When your organization or school district next prepares to buy sod, you'll be the lead person they turn to for answers. Here are some questions to ask.

### AROUND THE GROUNDS

#### **16 Field construction company directory**

The best listing of companies known to construct or renovate athletic fields in the US.

#### **22 Turf Cover/Growth Blanket Buyers' Guide**

#### **23 Tracking stations monitor weather for the pros**

### TURF MAINTENANCE EQUIPMENT

#### **24 How laser leveling works**

The technology is complex but the concept and implementation are fairly simple.

#### **26 STM uses one machine at UMBC**

With more than 15 acres of athletic fields to maintain, a sports turf manager has turned his operation into a one-machine show.

### IRRIGATION/DRAINAGE

#### **32 Drainage problems and solutions**

We asked field drainage companies to send us examples of specific situations where their products solved problems for turf managers.
