## CHAIN LINK FENCE GUARDS

Fence Guard™ protective covers for chain link fencing from Partac Peat Corp. are available in six colors—safety yellow, dark green, red, white, blue, and orange—as well as two grades—premium and standard. These UV-resistant, polyethylene covers protect players from injuries and provide a distinctive look to your fencing.

Fence Guard™ comes in cartons of ten 8-ft. sections with fifty 8-in. UV-resistant ties for securing every 2 feet to fence. With a 5-year manufacturer's limited warranty.

For safety and uniform appearance, you should remove crowns from the tops of fence posts so that the entire fence top is covered; ends can be butted or overlapped, and the product is easy to install.

Other styles also available, as well as windscreen, wall padding and portable safety fencing.

## Jaydee Drive Liner

The Jaydee Drive-Liner is a self-propelled riding line-marker featuring a 13.5 h.p. Briggs & Stratton engine, along with a 3.3 gallon remote fuel cell, a 35 gallon paint tank that carries enough marking material for a complete game field, or several practice fields. The 2 gallon flush tank cleans the discharge lines for work-breaks, travel or overnight. Center/side-marking sprayshields are always operator visible. A nearly zero degree turning radius reduces or eliminates back and turning maneuvers.

## Supreme-Green™ Turf Growth Cover

Supreme-Green is a multi-purpose turf growth cover made of a specially designed material to provide early green-up, accelerated germination and winter protection. The Supreme-Green cover encourages root development and rapid growth while extending your spring and fall seasons.

**Supreme-Green** turf growth cover is specifically engineered to promote earlier openings by 2-3 weeks.

- Reduces seed loss
- Promotes earlier root establishment
- Accelerates Germination
- Reduces frost and ice-damage
- Porous to allow water and air circulation
- Mildew and rot resistant
- Quick turf repairs

### Specifications:

- Made of tough woven non-coated polyethylene material
- UV treated for long life
- Green tint for best heat build-up
- One piece construction
- Comes complete with anchor pegs and storage bag

## TURF NEWS

### Youth fields feature top turf

**T**roy Glaus Field in Casa Grande, Shawn Green Field in Peoria, and Luis Gonzalez Field in Tempe are the newest fields in a program sponsored by the Arizona Diamondbacks Foundation "Diamonds Back" Youth Field Building Program. With support from the "Diamonds Back" corporate sponsors, local businesses, and monetary donations from individual players, this program has allowed children from across Arizona to play baseball and softball at quality facilities. The new fields feature lights, fencing, irrigation systems, scoreboards, and new turf.

BOBSod (also known as Bull's-Eye Bermuda), the official turf of the Arizona Diamondbacks and Chase Field, is produced by West Coast Turf. "West Coast Turf has been grassing Bank One Ballpark (now Chase Field) since Day One [of the franchise]. "We are able to provide these Arizona communities with Major League Baseball quality sod. All of us at West Coast Turf are honored we're able to participate," says West Coast Turf spokesperson Danielle Marman. ■

West Coast Turf donates Bull's-Eye Bermuda turf to the program.

Luis Gonzalez, Diamondbacks' left fielder, at the dedication of his field.

One of 19 youth fields with MLB-quality sod.
