TURF NEWS

Youth fields feature top turf

Troy Glaus Field in Casa Grande, Shawn Green Field in Peoria, and Luis Gonzalez Field in Tempe are the newest fields in a program sponsored by the Arizona Diamondbacks Foundation "Diamonds Back" Youth Field Building Program. With support from the "Diamonds Back" corporate sponsors, local businesses, and monetary donations from individual players, this program has allowed children from across Arizona to play baseball and softball at quality facilities. The new fields feature lights, fencing, irrigation systems, scoreboards, and new turf.

BOBSod (also known as Bull's-Eye Bermuda), the official turf of the Arizona Diamondbacks and Chase Field, is produced by West Coast Turf. "West Coast Turf has been grassing Bank One Ballpark (now Chase Field) since Day One [of the franchise]. "We are able to provide these Arizona communities with Major League Baseball quality sod. All of us at West Coast Turf are honored we're able to participate," says West Coast Turf spokesperson Danielle Marman. ■

West Coast Turf donates Bull's-Eye Bermuda turf to the program.

Luis Gonzalez, Diamondbacks' left fielder, at the dedication of his field.

One of 19 youth fields with MLB-quality sod.
