

## ONE FIELD IN ONE HOUR.

The Mete-R-Matic® XL is the ultimate sports turf topdresser. Its large hopper capacity lets you spend more time topdressing and less time transporting—complete a field in just an hour. Patented Chevron® belt delivers a uniform spread of sand, compost and other materials, regardless of moisture content. The patented ground drive system ensures the same application rate even at varying speeds. And with no hydraulics or engines, speed calibration is not required—just hook up and go.
