Two NEW membership categories offer lower dues

In January, STMA members voted to offer two new membership categories: Sports Turf Manager Associate and an Affiliate category.

The Sports Turf Manager Associate category offers a discounted member price for additional professional members from the same facility. The first member pays $110 and all other sports turf managers from that facility pay $75 each. The Associate member will have the same voting rights and privileges as a full dues-paying member. This will help the budgets of those facilities that support the association with multiple members.

The Affiliate membership category is for the person who is indirectly or on a part-time basis involved in the maintenance or management of one or more sports field. The Affiliate pays $50 and receives all the benefits of membership except for voting privileges. The goal of this category is to help educate and provide resources to those who have some responsibility for sports fields.

To join STMA, see the application in this issue or go to www.STMA.org.

All STMA members receive the following benefits:
- Access to the Members’ Only section of www.STMA.org, which has a searchable membership directory, technical resources, employment openings and résumés of potential staff and interns for easy recruitment.
- Discounted registration to attend STMA’s Annual Conference and Exhibition where you will find dozens of educational sessions and workshops not available anywhere else.
- A monthly electronic newsletter that communicates association, industry and career development information.
- Recognition as a professional Sports Turf Manager and access to further validate your abilities through certification as a Certified Sports Field Manager (CSFM)
- Discounts to the University of Georgia’s distance-learning programs, including Principles of Turfgrass Management, which results in the credential Certified Turfgrass Professional.
