to enhance the industry. He says, “The partnership between STMA and SAFE goes beyond our legal relationship. It is vital that we work together to advance our profession.”

SAFE is a 501(c) 3 organization, and donations to it are usually tax deductible. Funds donated to SAFE can be used for scholarship, research and education. Andresen sees huge opportunity for more involvement by SAFE in developing education and is committed to providing recognition for their support. “All STMA educational resources will include the SAFE logo,” says Andresen. We want our industry, allied associations, athletes, and fans to recognize the important work of SAFE.” Andresen also notes that SAFE is linked to the STMA through the association’s long-range strategic plan. “Our strategic plan has one entire platform that focuses on joint STMA-SAFE objectives.”

SAFE Chairman of the Board Boyd Montgomery, CSFM echoes Andresen’s thoughts on the importance of working together. “STMA has set the bar really high on its commitment to deliver superior education to its members. By working as a team we can accomplish those goals.”

With the new visual statement, SAFE also will be refocusing its efforts to grow its funding. SAFE has engaged a grant writer to explore appropriate and available grants for The Foundation. In addition, SAFE is evaluating two research proposals. In 2006 and early this year, SAFE provided partial funding for the STMA/NIAAA DVD on Mound-building and Home Plate Maintenance, funded $12,500 in scholarships to STMA student members, partially funded the Student Challenge participants’ conference registration fees and provided $8,000 for the Student Challenge awards.

STMA requests donations to SAFE through its conference registration and membership renewal forms and also encourages online donations, which can be accessed from the STMA website at www.STMA.org.

**Donate auction items**

The SAFE Foundation needs donations for its live and silent auctions and raffles, which will be held throughout the conference in Phoenix. Donations can be team gear, products, equipment, tickets to unique attractions in your area; about anything will work for the many auction/raffle events.

SAFE offers the following opportunities to donate:

**Level 1 Donation** items that have a value of $2,000 or more. These items will be the grand prizes for our event-long Raffle, which will be drawn during the well-attended Awards Banquet Jan. 18. The items will be displayed throughout the conference at the registration area with signage promoting the donor. Promotion will also be given at www.STMA.org.

**Level 2 Donation** items that have a value of $500 or more. These items will make up the live Auction that will occur at the Pre-Banquet Reception January 18. Signage will recognize the donating organization.

**Level 3 Donation** is any items that fall below the above levels. We will be using these for the Silent Auctions that will be conducted daily during the trade show. Each day will feature new items.

Donating to these charitable events is a great way to showcase your business, your sports team, or your hometown! To donate, please fill out the following form or contact STMA at 800-323-3875.
