FIELD MAINTENANCE . GAME-PRACTICE EQUIPMENT

## PERMANENT PITCHER'S MOUNDS & BATTER'S BOX PADS

Save time and money! These specially formulated red polyurethane pads bury 2" below the surface and eliminate deep holes!

Reduces 95% of the maintenance needed in these high-wear areas, while providing the safety and feel of properly maintained clay.

Tougher and longer lasting than granulated rubber or artificial turf pads. Great for recreation departments with several high-use fields or for ballfields where coaches or parents repair these areas. Simply drag infield mix back over pads!

## Supreme-Green™ Turf Growth Cover

Supreme-Green is a multi-purpose turf growth cover made of a specially designed material to provide early green-up, accelerated germination and winter protection. The Supreme-Green cover encourages root development and rapid growth while extending your spring and fall seasons.

Supreme-Green turf growth cover is specifically engineered to promote earlier openings by 2 -3 weeks.

- Reduces seed loss
- Promotes earlier root establishment
- Accelerates Germination
- Reduces frost and ice-damage
- Porous to allow water and air circulation
- Mildew and rot resistant
- Quick turf repairs

#### Specifications:

- Made of tough woven non-coated polyethylene material
- UV treated for long life
- Green tint for best heat build-up
- One piece construction
- Comes complete with anchor pegs and storage bag
