

# The all-new power forwards.

We're proud to announce powerful new additions to our line-up. Our F-60 Series front mowers with features and pricing that are going to score a lot of points.

These 4WD mowers include many technological breakthroughs for increased turf performance. The Auto Assist 4-wheel drive with Dual-Acting-Overriding clutch system delivers turf saving traction. In forward and reverse. It automatically transfers power to all 4 wheels when you need it. So, when the going gets tough, you get traction and reduced turf damage

*Visibility and maneuverability will increase your productivity.*

instead of wheel spinning. Or, you can choose to engage 4WD on-the-go.

**A durable,  
independent**

*Available with 60" or 72" side discharge mower or 60" rear discharge mower.*

hydraulic PTO clutch makes it possible to engage and disengage PTO driven implements on the move.

Kubota's E-TVCS diesel engines deliver maximum power while minimizing vibration and noise. And, enhanced combustion efficiency reduces fuel cost and lowers emissions.

The F-60 Series includes 22, 25 and 30 horsepower 4-wheel drive mowers as well as a 25 horsepower 2-wheel drive model.

If you're looking for the ideal combination of comfort, power and efficiency for your team, you've just found a winning line-up.
