

Master the Tools to Compete.

Guide to Golf Course Irrigation System Design and Drainage, by Edward Pira. • This book covers every important aspect of the subject in an easy-to-understand format. It is perfect for practicing turfgrass manager & superintendent, consultant, sales representative and student. Used in academic courses for years, this is the first commercially available version. Completely revised with new exercises, practical examples, numerous new figures, and expanded sections covering a wide variety of irrigation system components. Guides the reader through every phase of an irrigation program from design to construction- from program scheduling to operation and maintenance. Turfgrass managers and golf course superintendents will refer to this book often to plan effective irrigation systems, ensure appropriate capacity, easy installation and practical operation and maintenance. 400 pp. Available August 1996

4004 Price: \$59.95

Color Atlas of Turfgrass Diseases, by Dr. Toshikazu Tani and Contributing Author, Dr. James B. Beard • Presents over 350 high-quality color photographs of all the major turfgrass diseases that occur on both warm and cool season grasses and it is international in scope. This book will become the standard color guide to disease diagnosis and pathogen identification for golf course superintendents and turfgrass practitioners. Maps are included to assist in disease identification by providing geographical locations where each disease/pathogen is likely to occur. It also provides color photos of step-by-step guidance on diagnostic techniques for laboratory analysis which can be used by practitioners. 140 pages. Available June 1996. 4005 Price: \$79.95

The Surface Irrigation Manual, by Dr. Charles Burt. The text delves in-depth into the proper design and operation of surface irrigation systems. Also covers subjects such as soil types, salinity, surge flow and infiltration. Indispensable aid for farming, educators in agriculture; irrigation design professionals for government agencies working with the agriculture industry. 400 pp

4007 Price: \$49.50
