

We're In His Starting Lineup Every Day.

At his stadiums in Aberdeen, Maryland and Augusta, Georgia, Cal Ripken, Jr. and his staff want players and coaches to feel what it's like to play on a major league field.

To help provide major league conditions every day, the maintenance staff depends exclusively on Jacobsen® turf maintenance products. Machines like the SLF-1880™ super-lightweight mower provide Ripken's crew with precise patterns and an unparalleled quality-of-cut.

When performance matters, make sure Jacobsen is on your field. For more information about Jacobsen products, call 1.888.922.8873 or visit jacobsen.com.

Ripken Stadium, home of Cal Ripken's Aberdeen Ironbirds.

"We would not have some of the finest playing fields in the country without the quality machines we receive from Jacobsen."

— Cal Ripken, Jr.

Ripken's maintenance team uses Jacobsen® SLF-1880™ super-lightweight mowers to provide major league conditions every day.
