New – 9 Roundtables!
Friday, January 14, 4:00 – 5:00 pm
Wrap up your conference education with the most interactive opportunity for learning. Choose from 9 hot topics. Enjoy a reception while you ask your burning questions, meet with speakers from the previous 2 days and your 2010 and 2011 STMA Board of Directors. This is the perfect opportunity to network with your STMA family of peers and solve your toughest problems!

Seed Banks, Seed Rates, and Nitrogen Fertility
Speakers: Andrew Holberg, Ph.D. Student/Research Associate, Iowa State University, and David Minner, Ph.D., Professor, Iowa State University
Description: The discussion will explore increased seeding rates, increased fertility rates, and seedbanks in athletic field situations.

Sports Field Diagnostics
Speaker: Ross Kurcab, CSFM, Turf Manager, Denver Broncos – INVESCO Field at Mile High
Description: Discuss best practices to diagnose and treat problems on sports fields during this round table discussion. There will be a focus on how to recognize problems, assessing damage and turf recovery potential, and determining the best treatments.

Planning for Sustainability
Speakers: Mary Owen, Extension Turf Specialist, University of Massachusetts, Amherst, and Chris Brindley, Building and Grounds Superintendent, University of Wisconsin – Stevens Point
Description: During this round table we will lead the discussion and encourage dialogue around the topic of planning for and implementing techniques that lead to sustainability. We will encourage participants to share their experiences, talk about strategies they have implemented, and share their future plans. Attendees will learn from their colleagues about planning for sustainability, as well as identifying and implementing specific strategies and techniques.

Getting Involved in STMA
Speaker: Troy Smith, CSFM, Practice Facility Turf Manager, Denver Broncos Football Club
Description: This interactive round table discussion will focus on becoming involved with a professional organization to help with education, networking and career enhancement.

The CSFM Process Demystified
Speakers: Tony Koski, Ph.D., Extension Turf Specialist, Colorado State University and Leah Craig, STMA Manager of Member Programs
Description: Overcome the unknowns of taking the CSFM exam by attending this round table discussion. Information presented will help the sports turf manager who is entering into the CSFM process to better prepare for the exam including the exam format, question format, and studying/preparation strategies.
Lessons Learned Managing a Highly Visible Facility  
Speaker: Bob Campbell, CSFM, Vice President – Customer Relations, Carolina Green Corp.  
**Description:** During this discussion, attendees will be encouraged to share their experiences with changes in the sports turf industry. Sports turf managers will have the opportunity to discuss mistakes they have made and what they learned from them.

New Fertilizer Technology  
Speaker: Elizabeth Guertal, Ph.D., Professor, Auburn University  
**Description:** During this discussion, attendees will learn about new fertilizers that are on the sports turf market, including slow-release and stabilized nitrogen technologies.

Women’s Forum  
Speaker: Lynda Wightman, Industry Relations Manager, Hunter Industries  
**Description:** This popular forum has been moved from a breakfast networking format to a roundtable to allow for women and others in the industry to discuss personal and professional success strategies.

Baseball and Softball Infield Management  
Speaker: Paul Zwaska, Technical Sales Support, Beacon Athletics  
**Description:** Industry professionals will talk about the best infield skin management practices and answer your questions.

Optional Activities  
**Seminar on Wheels – 2 days of Tours***

**Texas A&M & Veterans Park, College Station, TX**  
**Tues., Jan. 11, 7:00 am – 3:30 pm**  
Board the buses for a 1.5+ hour trip to one of the top NCAA FBS Big 12 Conference sports campuses. The tour will include stops at the softball, soccer, baseball, outdoor and indoor football practice facilities, indoor track, outdoor track, Kyle Field football stadium and the sizable intramural complex. Veterans Park, College Station’s large municipal recreation complex, will also be toured. Lunch and transportation are included.

**ASBA Certified Field Builder Exam***  
**Sat., Jan. 15, 8:00 am - 1:00 pm**  
The American Sports Builders Association (ASBA) offers three certifications for field builders: Certified Field Builder (CFB), Certified Field Builder Natural (CFB-N) and the Certified Field Builder Synthetic (CFB-S), and will be offering these tests during the STMA Conference. To find out if you qualify to take the tests, download the CFB application and CFB eligibility spreadsheet from its website, www.sportsbuilders.org. The deadline to submit your application to test in Austin is Dec. 15. If you have any questions, please contact Cynthia Jordan at ASBA, cjordan@sportsbuilders.org or call 866.501.2722. In addition, those testing must register for the STMA conference, purchasing a one-day conference and education package, at a minimum. See the STMA registration form.

Chapter Officer Training – for Chapter Board Members  
**Tues., Jan. 11, 6:00 - 9:00 pm**  
Chapter board members are invited to attend a chapter networking and brainstorming session to address the challenges of strengthening your chapter and your role as a volunteer leader. Dinner is provided. To register, please fill out the back of the registration form.

**SAFE Golf Tournament, Sponsored by Jacobsen, A Textron Company***  
**Wed., Jan. 12, 7:00 am - 4:00 pm**  
For the 11th year in a row, Jacobsen is proud to sponsor the annual shotgun fundraising golf tournament, and this year there will be hole in one prizes, including $10,000 on one hole! This year’s event...
will be held at the Star Ranch Golf Course (www.starranchgolf.com). Continental breakfast and lunch are included. Proceeds will support the SAFE scholarship, education and research fund. Attendance is limited to the first 120 participants to register. Handicaps must be included on the registration form.

*Additional fee and pre-registration required.

**SAFE**
The Foundation for Safer Athletic Fields

---

**What to Do Next?**

Now that you’ve seen what there is to do and realize you have got to be at this must-attend educational event, you need to do several things.

First, go to www.STMA.org. There you will be able to:

- Register for the conference (online registration is available to members only).
- Download the digital brochure
- Download the Conference Registration form
- Also, make sure to fill in the form completely, including checkboxes for Annual Meeting and Awards Banquet attendance.
- Make sure and check out the Schedule Builder and Trip Report. Both of these items can help you justify the investment to attend conference to your employer!

Other things you can do to prepare for the STMA Conference and Exhibition:

- Book your airfare. Rates will get higher as the holiday season, and the STMA Conference and Exhibition approach, so book early to get the best rates.
- Book your hotel room at the Austin Hilton, the official hotel of the STMA Conference and Exhibition, at the exclusive rate of $169 per night. This rate is good through Dec. 20, 2010, so book early because it could sell out. Call 512.482.8000 to make your reservation or go to www.STMA.org to book online.
- Check www.STMA.org often to get the latest information and updates about conference.

---

**AerWay® Leaves Sports Fields Safe and Playable**

*AerWay® venting tines can be used all season long to reduce compaction and stimulate strong root development without taking the field out of play. The result is a resilient playing surface with excellent top growth.*

---

**CoverSports FieldSaver® Winter Turf Blankets/Growth Covers!**

Protect turf from Winter conditions! Promote faster Spring growth and green-up!

“The results were incredible!...”
Paul Heron, Grounds Supervisor
Unionville-Chadds Ford School District, PA

FieldSaver® is a longer lasting blanket - 8 Year Limited Warranty

- Heavy 100% woven polypropylene fabric
- Reinforced hems and grommets all edges

**Special offers ONLY at**
