

Committee Corner

STMA HAS 23 COMMITTEES and will be recognizing the work of two committees each month in the magazine. Last month featured the Conference Education and Environmental Committees. The International and Awards Committees are featured this month.

STMA International Committee

This Committee began as a Task Group in 2010 and became a full committee one year later. Its primary purpose is to position STMA as a global leader in sports facility management and as the go-to resource for those who work internationally in the industry. One way it gains recognition is by sharing association and technical information with those in the sports turf profession in other countries. The committee has reached out to international sports organizations to introduce STMA. It has developed a network of contacts in academia and in the commercial sector who work internationally and who will promote the association when traveling abroad. Much of the efforts have been centered on developing appropriate technical resources, and trans-
