## PERMANENT PITCHER'S MOUNDS & BATTER'S BOX PADS

Save time and money! These specially formulated red polyurethane pads bury 2" below the surface and eliminate deep holes!

Reduces 95% of the maintenance needed in these high-wear areas, while providing the safety and feel of properly maintained clay.

Tougher and longer lasting than granulated rubber or artificial turf pads. Great for recreation departments with several high-use fields or for ballfields where coaches or parents repair these areas. Simply drag infield mix back over pads!
