

# The Tall Fescue Trend REBEL II Leads the Way

**Rebel II. . . the attractive, low-maintenance turfgrass:**

- |  |  |
|--|--|
| <input type="checkbox"/> Requires less fertilizer than Kentucky bluegrass or Bermuda grass | <input type="checkbox"/> No thatch build-up                          |
| <input type="checkbox"/> Excellent shade adaptability                                      | <input type="checkbox"/> Outstanding performance in heat and drought |
| <input type="checkbox"/> Greater disease resistance than most other turfgrasses            | <input type="checkbox"/> Fine, dense growth                          |
|  | <input type="checkbox"/> Excellent dark green color                  |

Get with the tall fescue trend. Try Rebel II. Tests are proving it will meet all your needs, and surpass your expectations.
