

# I've read greens almost all my life, and PennLinks reads like the top line on a leader board.

Reading greens has been part of my job since I was nine years old. I've learned that it's easier to read and play a 'quick' green than a slow one because you can cut the break in half. This PennLinks green looks as good and fast as any I've seen on the tour.

Right away I notice the good color, smooth texture and grainless, upright growth ... just like a carpet!

For quick, consistent greens that play as good as they look, I recommend PennLinks.

If you play on PennLinks and still can't putt good, I suggest you see your local golf pro!
