EVERYTHING YOU
EXPECT FROM A
PREMIUM
PERENNIAL
RYEGRASS...

- Establishes quickly
- Excellent seedling strength
- Superior disease resistance
- Predictable good looks and durability year after year

WITH THE
MANNERS AND
REFINEMENT OF
THE FINEST
TURFGRASS...

- Dark green color
- Tight, dense turf, thanks to its low-growth habit
- Improved mowing quality because of reduced stemminess and low-growth

Fairway and roughs • Lawns • Overseeding bermudagrass greens • Overseeding athletic fields • Commercial, industrial, public grounds • Quick cover applications
