FINANCING 'TIL APRIL 1**
On all new John Deere Golf & Turf Equipment. Or, finance today
at rates as low as 6.75% APR. An impressive lease package
is also available. Offer expires April 30, 1994.

Power, speed and great range in the field

Every team needs a good utility player. That's why you see more and more John Deere 1200 Bunker & Field Rakes on well-kept ballfields every season.

A host of options and attachments make the 1200 perfectly suited for this application. Attachments that include a wide front blade, two mid-mounted scarifiers and a rear-mounted field finisher. There's even a hydraulic package that allows you to pull an aerator.

Efficient drivetrain compo-

nents are key to the 1200's success. The 1200 is powered by a high-torque 10-hp engine.

A gear-driven transaxle then puts that power to work with an

impressive gear reduction of 164:1. Translation—tremendous pulling power.

For the name of your nearest distributor, or free literature call 1-800-544-2122. Or write John Deere, Dept. 956, Moline, IL 61265.

Attachments like spreaders, seeders, rollers, brushes, scarifiers, a wide blade, and field finisher help the 1200 shine on the field.
