Laser Leveling is proud to introduce the first and only laser grading system designed specifically for baseball and softball field grading and finishing. Our Diamond Series family of cone-grade lasers allow you to dial in the exact amount of cone slope, meaning that your fields will always be perfectly graded, without ever moving the laser. The Diamond Series is quite simply the best solution available to ballfield construction and maintenance contractors on the market today.

When the Diamond Series is combined with the Grade-

Master automatically finish any ballfield with astounding $\frac{1}{4}$ " accuracy. The GradeMaster also features the PILOT hydraulic system, which utilizes state-of-the-art proportional valve technology to deliver more reliable blade performance and control.

The Laser Leveling GradeMaster and Diamond Series Ballfield Grading System, two more ways in which "We're Taking the Grading Industry to a New Level". If you would like more information on our complete line of grading attachments, please visit our website at www.laserleveling.com.
